Captain Diane's Corner

Dear Ladies

Welcome to Winter!!!

What an action packed Autumn with Champions on and off the course.

Couples Covid was the in thing for some including **Shelley and Clayton Hopkinson**, the **Knowles**, **Dennis** and **Strzina** families to name a few. Thankfully they are all back on deck again.

Gerry's Gardening Group has been hard at work. **Tricia Johnson** and husband **Barry** tend the new plants daily. **Janice Campbell** is another permanent fixture in the garden. **Gerry** is having treatment on her knee and will be back out there soon.

Our Pennant Team along with caddies is doing exceptionally well. The Veterans are also making their mark in their competition.

Our **Long Table Lunches** are very well attended, with ladies hopping on and off as they come in after their game. We look forward to seeing more nine hole players around the table next time.

Tuesday Soup Day has been a huge success. Thanks to **Richard** for his delicious soup, to the willing helpers and to all the supporters.

Tuesday bookings have been a bit tricky in Pennant and Veterans season. Thank you for your patience. You will now find a lot more nine hole spaces available. Good news for 18 hole members; you are now able to book a nine hole spot online.

Thank you to **Tristan**, **Andrew** and **Arno** for all you do to get everyone out there.

Happy Golfing. Keep warm and well. Eat Soup!!!!

My very best wishes

Diane

BOOKING TIMES

There has been a lot of discussion around the increasing number of 18 and 9 hole players on 9 hole course and how best to cater for all. It is an ongoing challenge and one we have not had to face before. A great challenge to have. The latest changes to arrangement of booking times are:

- more 9 hole booking slots available.
- 18 hole players may now book online for 9 holes on a Tuesday.

As always put your name on the Waiting List if there are no slots and you will generally get a game. Advise if you are unable to play as this will free your slot.

PENNANTS

Sea View hosted Round 3 on Monday, 16 May and the weather and course impressed. Thank you to all who helped with our hosting duties.

At RFGC our team battled wind, rain, hail and had to abandon the course for a while with thunder and lightning but managed a 4½ to 2½ win against Gosnells.

Melville Glades provided better weather for our match against The Vines which we won.

Well done everyone. Two more rounds to go.

SENIOR PENNANTS

Senior Pennants Captain **Gai Breakwell** has a list on the bench in changerooms for you to register your interest in playing in this 4BBB Match Play competition at a variety of courses throughout the metro area.

It is a great competition and will start after the main Pennant season.

Car pool to get to courses.

LONG TABLE LUNCH

So many new 9 hole Sea View members are playing fabulous golf. Very impressive and prediction is that many of you will gain confidence and move onto playing 18 holes in the future.

So, why not meet and greet the Sea View 9 and 18 hole members at the "Long Table Lunch" on the last Thursday of every month.

The Captain presents the month's winners and this is an opportunity to catch up on the latest news.

All members welcome on 23 June.

VALE

Joss Edmonds

Joss joined us from the country and after her golfing career finished she could be found on in the clubhouse playing Mahjong on Tuesday and cards on Thursday.

Her cheerful welcoming smile and organising skills will be fondly remembered by all who knew her.

Grapevine

Pegi de Angelis has reported how impressed she is with how well the new 9 hole players are playing. Well done girls. Onward and upward.

Congratulations to our ladies who have recently celebrated wedding anniversaries, birthdays and new grandchildren. **Joan and Peter Knowles** who are now a Golden Couple.

Thank you to **Marg Gilmore** and her happy band for their kitchen help on Tuesday Soup day. Set aside time to enjoy great company and delicious soup before heading home.

Elaine Shaw and **Gabe Mostyn** have visited briefly between trips here, there and everywhere.

After spending time in Darwin, **Lorraine Rowley** is considering moving there for winter! **Marlene O'Mara** and **Delma Lagrange** opting for Broome.

Pam Dowling has been celebrating with the Queen in UK.

Adventurous **Karen Hodson** and **Gai Breakwell** have been swimming with the whale sharks.

Stella Wright is taking the opportunity to have golf lessons from grandson Charlie

Many others are also enjoying the freedom to travel. Enjoy and keep safe and well.

COVID has really made its presence felt, not only with our ladies but also their families. Keep up the vigilance in order to stay safe.

The 2's board is looking very impressive. Remember, if you score a 2 on any hole make sure you enter your name, date and hole on list in changeroom. Special presentation at end of year.

Around the Fairways and Greens

A round of golf at Sea View should take **4 hours and 15 minutes**.

To avoid slow play -

- Walk quickly between shots.
- Be ready to play when it is your shot.
- Do not address the ball too long.
- Do not take more than one practice swing.

GUR

There is currently GUR in front of the 4/13th and 9/18th. The fairways did not respond well to the renovations and the best treatment was to take all foot traffic off these areas. Reminder that these two areas are **COMPULSORY GUR** and play is prohibited within the white lines and hoops. If your ball finishes inside the GUR, you **MUST** take full relief and no nearer to the hole.

NTP

Nearest the pin winners each week are being recorded but balls are not being presented each week due to the lack of numbers in the clubhouse after the games. There will be a presentation at the Annual Luncheon.
