Captain Joan's Jottings

Greetings from Victoria and hoping you all had an enjoyable Easter break.

By the time Marion does her usual brilliant job of publishing this newsletter, the Pennant Season will have started. Good luck to all our girls playing and many thanks to all the caddies.

Our 18 hole and 9 hole Malden Competitions are well under way. It is great to see our 9 holers enjoying their first major club competition. The two finals will be played on Tuesday, 14 May followed by Presentations and a light lunch. Di Hintz will circulate a list of attendees for catering purposes.

Welcome back on the course to Bernadette Fee getting back in form again after her accident. Congrats and all the best to Margot Parkes - first grandson to enjoy!

Keep enjoying our beautiful course - even if your golf is not exactly what you would like!

Grapevine

A warm Sea View Welcome to **Jane Cowling, Ursula Harvey, Tjen and Cathy Kyrwood** who have recently become members.

Ursula Harvey celebrated her first Par achieved on the 17th. A sign of good things to come.

A very proud **Margot Parkes** welcomed her first grandchild, a baby boy.

Barbara Foulsham has become a Granny for the 3rd time. Lots of cuddles happening in both families.

A group of our ladies are heading down to play in the Augusta Ladies Classic over the 18/19 May weekend.

Good to see our club being represented at metropolitan events. This is a great experience. Upcoming events are posted on the noticeboard downstairs.

The new flag pole and flag were tested with the recent windy weather.

Bernadette Fee has been keeping in touch with golf by walking the course, and has managed to have an occasional hit. Take it easy so that the recovery is complete.

Captain Joan has been visiting family in Tasmania and Victoria.

Eleonore Fuchter heading off to walk the Cape to Cape.

Marion Gathercole in Dunsborough with friends met on the Camino 10 years ago.

Libby Robertson, Lois Grincer and Rose Senior (former Sea View members) were seen playing the beautiful Sea View course recently.

Sarah has returned part time following the birth of her beautiful baby boy. **Jasmine** has been enjoying a break and will continue in her part time marketing role.

The carpet in the ladies' changeroom survived a recent flooding.

The toilet which is located on the northern side of the greenkeepers' shed has been refreshed with a new door and cistern.

Course is looking good. Thanks Gary and team.

Make sure you slurp water and slip, slop, slap.

Rules of Golf effective 2019

Rule 5.6b Prompt Pace off Play p36

A round of golf is meant to be played at a prompt pace.

Your pace of play is likely to affect how long it will take other players to play their rounds, including both those in your group and those in following groups. You are encouraged to allow faster groups to play through.

Pace of Play Recommendations. You should play at a prompt pace throughout the round, including the time taken to:

- Prepare for and make each stroke,
- Move from one place to another between strokes, and
- Move to the next teeing area after completing a hole.

When it is your turn to play:

- It is recommended that you make the stroke in no more than 40 seconds after you are (or should be) able to play without interference or distraction, and
- You should usually be able to play more quickly than that and are encouraged to do so.

Playing Out of Turn to Help Pace of Play. In stroke play, play "ready golf" in a safe and responsible way.
