# Note from the President

Spring is in the air!

Despite some difficult financial challenges in recent months, there is light at the end of the tunnel. The Board and management is continually looking for ways to boost overall income whilst controlling expenditure.

One initiative that is about to be introduced to potentially boost our bar and catering income is to offer free social membership to all Cottesloe/Local residents for the remainder of 2015. By making our Clubhouse more accessible to the local residents, we hope to build our income from the bar and build our reputation in the local community.

My thanks to Steve Joske and John Foulsham for offering to join the Constitution Review Committee which will meet soon to consider any amendments that might be appropriate to our constitution. The current constitution has been added to the Members section of our website (remember your access code is the first five digits of your Golflink number – 60117). Please take time over the next month or so to read it and pass on to this committee any aspects you feel may need attention.

We have a great course, good Clubhouse services and welcoming members. Our aim for the foreseeable future is to increase our income across all revenue streams whilst improving our services to both members and visitors. The call to all members to approach friends and colleagues regarding possible membership of our Club continues to be important. I urge you to consider (again) who you might invite.

Happy Golfing!

Jim Green

President

## Course Update

Shane Baker has joined our greenkeeping team. Shane comes to us with a wealth of knowledge and experience having recently been the Course SI at Araluen GC. Please introduce yourself to him if you see him on the course.

Brittney is off on a well deserved trip around China & Japan over the next 3 weeks , leaving the course in the capable hands of Shane & Matt. Obviously, being down to 2 staff will mean the finer details may have to be deferred until Brittney's return but we are confident the course will remain in good condition!

A few things Brittney would like to draw to your attention:

### Pitchmarks

Please, please , please repair your pitchmarks. Even better would be to repair any others that you come across. If a pitchmark isn't repaired within 10 minutes of it being made the grass will die. At least by repairing old pitchmarks the putting surface will be made smoother.

### Rakes

The new "rakes in bunkers" policy is slowly being adopted. If you find any rakes being left outside the bunker please spare the time to place it in the bunker with the handle facing towards the tee.

### Tee Markers

Thank big you to Chris Bennett and all those members who contributed \$25 for the new distance markers around the course. They've been a great addition to the Club.

# House Update

Hi All!

This area of our beloved newsletter will be all about the Clubhouse happenings. This is the place to look for any Information about the kitchen, bar or functions.

## *The Links Grill*

Firstly we would like to thank everyone for their patience with us during the last couple of months whilst dealing with the fire repairs.

The fire set us back a bit for the launch of our new Spring/Summer menu but this will be launched in the next couple of weeks. Many Club members have been giving us great feedback on some of the specials Rod has been trialling and we think we have a few new hits for the new menu.

Keep an eye on 'The Links Grill' specials board to see what the latest specials will be. Try our pulled pork burger or chicken schnitzel burger for \$15!

We take group dinner bookings Wednesdays, Fridays and Saturdays. Please just contact me on 9384 0471 or [functions@seaviewgolfclub.com.au](mailto:functions@seaviewgolfclub.com.au).

## *Bar Changes*

As I'm sure many of you have already seen we have a new wine list. We are now featuring some outstanding wines from Leeuwin Estate, Molly Dooker, Howard Park, Mandon Estate, Sister's Run and many more from all over the country. All of these wines are at great prices.

Go to our website today to see our new wine list or even better come and sample it in person.

### PLEASE NOTE - ANNUAL BEER INCREASE

Due to our beer suppliers annual price rise in August we will be making a small increase to our beer prices across the board from the 1st September.

## Functions - Jazz on Jarrad

Marion Gathercole, our ladies' Captain had her 'Jazz on Jarrad' night here in July to raise money for Kidney Health Australia's Big Red Kidney Bus project. Everyone enjoyed a night of good music and fun whilst supporting an important cause.

The Big Red Kidney Bus provides people living with end stage kidney disease the opportunity to arrange a holiday in a location where they can still receive their life saving dialysis treatment.

### What's on next for the RKB...

Marion's next fundraisers will be a **High Tea on the 21st October** here at Sea View. The High tea tickets will cost \$40 per person, with part proceeds going to the Red Kidney Bus. If you would like to attend please talk to Marion or contact the office.

Book your seat or table for any of our upcoming functions through the office now, support your club.
