

Captain Marion Comments

Congratulations to all who competed in the Club Championship and especially to Club Champion **Kerry Strzina** and **Karen Hodson Nett Champion** who both played four very nice rounds. Kerry also won the Docky Holland for Best Nett 36 holes on a c/b from **Barbara Foulsham**.

Some amazing feats during September were **Cheryl Gregory** who had a Hole in One on the 4th and **Kerry Strzina** who wowed us with an Eagle on the Par 5 18th followed by a Birdie on the same hole in a later game. Well done girls.

The Orientation Day at the conclusion of the last round of clinics was very successful with 42 ladies and 8 club members enjoying and Ambrose format and afternoon tea in the clubhouse. The ladies were welcomed by President Bill Cox and Club Professional Tristan outlined key points of membership.

Many thanks to **Shelley Hopkinson** and **Sarah Anfield** for producing a very professional *Welcome to Sea Booklet* for the ladies. (see over)

The clinic ladies also joined us for a 9 hole Ambrose later in the month. It is great to see them enjoying their three month free membership and hitting the ball so well. We look forward to them joining us in 2019.

Jill Johnston joined us for golf and sponsored a trophy in memory of her Mum, past member Carma Warrilow. A lovely gesture, thank you Jill.

The course is looking very great at present, but will be closed for the week commencing 15 October for course maintenance which will involve coring and sanding of greens and scarifying fairways.

The Town of Cottlesloe mini depot behind the Greenkeepers shed has been moved to another location away from the golf club.

See you around the greens.

SUPER SIX COMPETITION

The qualifying round was played on 2 October and the eight qualifiers for the final Match Play Knockout on 4 October make for very interesting matches.

Please come down and play if you are not playing in the Match Play Knockout final, or come down and watch as each grouping plays six holes with the winners advancing to the next round and the winner decided at the 18th.

If scores are square at the end of any 6 holes there is a sudden death hit off from 90 metres out from the green.

Many thanks to Tristan for introducing this special format.

Lorraine Rowley was our winner in 2017 and she went on to win the North Region playoff.

9 Hole ladies

Now that the Championships and Super Six competitions have been completed we would like you to join us in the field on Tuesday and at the end of the field on Thursday.

It has been lovely to see quite a few of the Clinic ladies out on the course. Special thanks to **Judy McNeill** and **Pegi de Angelis** who have been available to accompany the new players.

The Presentation Luncheon will be held on Thursday, 15 November and the Eclectic results will be announced. Make a note in your calendar to join on this special occasion.

Happy birthday wishes to **Olga Hay** who turned 97 on 3 October. Olga has been an inspiration to us for many years on the course and now in the clubhouse where she continues to play Mahjong and cards. Get well wishes to her after a health hiccup.

Around the Fairways and Greens

Unplayable Lie

If you believe your ball is unplayable, you may, under penalty of one stroke:

- play a ball from where your last shot was played, or
- drop a ball any distance behind the point where the ball lay keeping a straight line between the hole, the point where the ball lay and the spot on which the ball is dropped, or
- drop a ball within two club-lengths of where the ball lay not nearer the hole.

If your ball is in a bunker you may proceed as above, except that if you are dropping back on a line or within two club-lengths, you must drop a ball in the bunker.
