

What's On at Sea View

Course Maintenance week got off to a great start yesterday with lots of progress being made. A big thank you so far to our volunteers who are certainly putting in the hard work with Brittany and the team. If you would like to help out we would be so appreciative to all those who come along to speed up the recovering process. The team will be starting early each day, and probably finishing late, so your help will be welcomed at any time! Water will be provided throughout the day and a beer after (before 4.30pm).

Congratulations once again to our Head Professional Tristan and his wife Kara who welcomed their new baby girl, Scarlett in the early hours of Friday morning. Mum and baby are doing well and we look forward to meeting the new arrival soon. Congratulations to them both!

Seafood Sunday is back for the summer! Join us anytime from 11-2 on a Sunday for one of Sea View's famous Seafood Platters for 2, with a bottle of wine for only \$50. Come and enjoy it in our gorgeous Al Fresco area and soak up the sun. Hope to see you there!

December bookings are filling up very fast, if you are planning to join us for your Christmas party or just want to get together for a festive lunch please give us a call soon to make sure you don't miss out. More details of our Christmas packages can be found on the website.
